

# SECURE THE FUTURE

## BUFFALO RIDGE SAFARI VOUCHERS

Extraordinary times require extraordinary measures! The impact of Covid-19 on the Tourism sector and the knock-on impact to our Game Reserves, Conservation and Wilderness areas, Safari Lodges and neighbouring communities is significant.

The Balete Ba Lekgophung community ownership of Buffalo Ridge Safari Lodge fulfils its role in supporting the broader Lekgophung community socially and economically as well as playing its part in ensuring the long-term preservation of Madikwe Game Reserve.

The flow of benefits from Tourism products like Buffalo Ridge ensure the long-term sustainability of Madikwe Game Reserve as well as neighbouring communities from which many employees are drawn. Within the community a single employee can support up to 7 family members and more. In addition various micro economic services and activities are playing an increasingly important role in providing a range of products and services to lodges within the reserve.

Buffalo Ridge remains committed to Madikwe Game Reserve, ensuring the long-term sustainability of the reserve, the lodge and the Balete Ba Lekgophung community. As part of this commitment we are launching a range of **Secure the Future Safari Vouchers**. The forward purchase of our **Buffalo Ridge Safari Vouchers** will enable us to maintain the lodge and support the community at this difficult time. We will be grateful for your support and would love to welcome you back for sundowners on our deck in the near future.

Vouchers are discounted by up to 63% with an open ended period of validity.
